PEACE BE WITH THOSE
WHO WALK HERE

Walk With Us

Tidewell's Remembrance Walkways are dedicated to the celebration of loved ones, family members and friends – honoring those who have touched your life in a special way and left behind cherished memories.

Remembrance Walkways have been individually designed for each of Tidewell's seven hospice houses, providing a comforting stroll for our residents, those who visit them, and our dedicated staff and volunteers. They serve as a calming retreat, with surrounding gardens created to complement and enrich the setting.

Celebrate the life of someone you love and with whom you shared precious moments by choosing a personalized, engraved brick paver reflecting a special message – or ask about other available enrichments, such as, planting beds, shade trees, arbors, bowl urns and benches.

Walk with us and remember or honor your loved one in a unique way that also supports Tidewell's mission to bring compassionate caring to all those in need.
