## Remembrance Walkways/Serenity Gardens Naming Opportunities

Tidewell's Remembrance Walkways and Serenity Gardens are dedicated to the celebration of loved ones, family members and friends – honoring those who have touched your life in a special way and left behind cherished memories. Each of these specially designed areas provide a comforting stroll for our residents, those who visit them, and our staff and volunteers. They serve as a calming retreat, with surrounding gardens created to complement and enrich the setting. Celebrate the life of someone you love and with whom you shared precious moments by electing to commemorate them in one of our seven gardens.
