

Pain Management Log

Use this log to help describe and track pain and medication use. Share this log with your Tidewell Hospice nurse. The nurse will provide training regarding if and when to give pain medication and the side effects of the medication.

Wong-Baker FACES® Pain Rating Scale

Numeric Rating Scale

	Date	Time	Pain Score Before Med	Medication Name	Dose Taken	Pain Score Hours After Med	Notes: Location of Pain, Observations, Questions, Side Effects, What Makes It Better or Worse
